## ACADIA PARISH SHERIFF'S OFFICE

**K.P. GIBSON**

*Sheriff and Ex-Officio Tax Collector*

I would like to thank you the citizens of Acadia Parish for allowing me to serve as your sheriff. It is an honor that I hold with the highest regard. Our team at the Acadia Parish Sheriff's Office has worked hard to make the changes that you desire. We are one team with one goal and that goal is to serve you to the best of our ability.

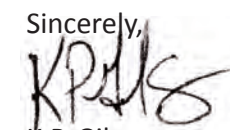

Our focus from day one has been to increase the enforcement divisions within the department starting with patrol. Since July, we have created 12 new positions in the enforcement divisions. We have hired the majority of these deputies and we continue their training to prepare them for serving our public. Our goal is to have these new deputies ready for service during the next few months.

We have replaced an aging and costly fleet of patrol units with new units and new equipment to keep them on the road where they belong. We have addressed minimum staffing for all divisions to be accountable for your money. This has allowed us to move funding to areas of enforcement without additional cost to you, the tax payer of our parish.

We will continue to grow in an effort to provide you with professionally trained deputies who will do everything possible to serve our parish and our citizens.

The 2016 Annual Report has been formatted to provide you with information on the operations of your Sheriff's Office. A brief synopsis is provided on the functions of the various divisions / units within the Acadia Parish Sheriff's Office.

If there is anything our department or I can do, please do not hesitate to contact us.

Sincerely,  
  
K.P. Gibson  
Sheriff, Acadia Parish

Deputies responded to 13,433 calls for service, with 1,315 arrests being made by patrol deputies. Reserve deputies have volunteered 5,730 hours of service to our citizens. Patrol deputies cover over 657 square miles within Acadia Parish.
